Chapter 1: How You Approach Life and How You Appear To Others

Virgo Rising:

Modest, unobtrusive, and often rather quiet or shy, you are a person who is content to be in the background or to serve as an assistant, in the supporting role rather than in the lead. You are quite humble in your own assessment of yourself and you have a very strong perfectionistic attitude, with a tendency to be overly self-critical. No matter how well you do something, you always see the flaws in it and how it could be improved. Often you will simply refuse to attempt something because you feel you cannot meet your own high standards.

You have an eye for detail and get upset when something is not done just so, usually something others consider rather inconsequential or trivial. You are hard to please and your relationships with others may suffer because of this. You also have refined sensitivities and are very discriminating and particular in your choice of foods, clothes, friends, artwork, etc. Order in your environment is very important to you.

You step into situations rather cautiously, and not without realistically assessing all of the risks and potential advantages involved. Unless something is a safe bet, you are unlikely to dive into it. You tend to underestimate your own capacities and to lack confidence and trust in life, which inhibits your spontaneity. Worrying is a bad habit of yours. On the other hand, you rarely fall flat on your face and what you do, you do very well.

Others see you as a self-sufficient and rather self-contained person. You have a strong sense of propriety. Politeness, good manners, and correct behavior are important to you. Your clear, cool, objective and nonemotional attitude is apparent to others first, and though you are really quite helpful and caring, you do not radiate much sympathy so that others may not see the helpful side as readily. You may seem more businesslike and factual, and also more conservative, than you really are at heart. You are the person others might go to for technical advice or an unbiased opinion, but not for emotional support.

You are keenly observant, intelligent, and have a great desire for learning and for self-improvement, but you are not especially ambitious and are often satisfied in a rather simple, unglamorous position in life.

Pluto Conjunct Asc.:

You are extremely willful, but often achieve your desires in a quiet, secretive, or manipulative way. You may be intensely charismatic and wield considerable influence over others, or you may be attracted to such powerful, fascinating personalities. You tend to go to extremes in whatever you do, to be compulsive, and are driven by a sense of mission or destiny. You don't take anything at face value and are always digging beneath the surface for the deeper meaning or real motivations of others.

Chapter 2: The Inner You: Your Real Motivation

Sun in Virgo:

At heart you are modest and humble, and you rarely strive to be in the limelight or in a position of power. You have a sharp analytical mind, a keen eye for detail, and you prefer to observe, dissect, and study life from a distance. Conscientious and conservative, you can be relied upon to be careful, efficient, and thorough in your work and you take pride in doing a job well. What you may lack in self-confidence you often make up for in skill - developing expertise, technical knowledge, and competency in some specialized area. You are adept at using your hands to create or fix things, and meticulous attention to detail and careful craftsmanship are your forte. Some would say you are a little TOO meticulous, for you can be extremely critical and petty if everything is not done exactly as you think it should be, and you worry about things that other people consider trivial and unimportant. You like to organize, categorize, and arrange everything into a logical system, and you are often distinctly uncomfortable when something does not fit into a neat category. Disorganization vexes you. You probably wish that you were not such a perfectionist, for besides being a stickler for details, you can be mercilessly self-critical as well. Whether in your environment or in yourself, you tend to focus on the flaws, with a desire to improve, refine, and perfect. You are strictly factual, truthful, and scrupulously honest in your self-estimation, and you often do not give yourself enough praise or credit.

You are also highly discriminating and may be especially particular about your diet, hygiene, and health habits. You have high aesthetic standards and refined sensitivities, and will be bothered by elements in your surroundings (such as disorder, cigarette smoke, etc.) that others overlook. Your tastes are simple, understated, but refined. Coarseness, bluntness, and vulgarity really offend you. You can be difficult to live with sometimes because of your fastidiousness, your sensitivity, and your idiosyncrasies about food and cleanliness.

Though you seem rather cool and self-contained, you have a very helpful nature and you enjoy serving others. You are content to be in a supportive, assisting role rather than in the lead. You are quietly devoted to the ones you care for.

You are careful and cautious in your approach to life, realistic, practical, and disinclined to gamble. You analyze before you act. You are too serious sometimes. Allowing yourself to play and to make mistakes would be HEALTHY for you!

Sun in 12th house:

You tend to get involved in the helping professions or in activities where your efforts are hidden, behind the scenes, unacknowledged, or unknown to the public. Asserting yourself or getting up in front of an audience may be exceedingly uncomfortable for you.

Sun Conjunct Mercury:

You tend to see things from your perspective only and to be rather subjective. You also enjoy talking and expressing your views but you don't always listen as well. You have a clear mind, a love of learning and new experiences, and need constant mental stimulation and activity.

Sun Conjunct Uranus:

Innovative, original, unorthodox, and unconventional, you identify with the role of rebel, reformer, or iconoclast. You insist upon a great deal of personal freedom and do not easily adapt yourself to others' needs and wishes. You need a lifestyle that allows you to be spontaneous. Often you feel that you are somehow different from other people and outside the mainstream of society.

Sun Conjunct Pluto:

Inwardly you are zealous and fanatical, though you may hide your personal desires and intentions, and the intensity of your feelings. You are driven by a deep inner sense of destiny and mission and an almost compulsive desire for personal recognition. You have an infatuation with power and are incredibly willful and stubbornly fixated on achieving greatness or being Somebody Special. You tend to worship heroes who have powerful personal magnetism and charisma, and often seek to emulate them. You have potential for tremendous good or tremendous evil.

Chapter 3: Mental Interests and Abilities

Mercury in Virgo:

You are an exacting perfectionist with a clear, logical, analytical mind and an aptitude for work that requires meticulous attention to detail and efficient organization. Well-grounded and pragmatic, you tend to develop specialized skills and technical expertise in some practical field. Knowledge, ideas, and theories don't really interest you unless they are useful in a tangible way. You are inclined to analyze, measure, and dissect everything and to miss nuances, subtle shades of feeling and meaning. Your strengths are in your precise thinking, careful craftsmanship, and mastery of technical skills. You tend to be very good at what you do and critical of others' work if it does not meet your high standards.

Mercury in 12th house:

You don't speak up readily, even when you have a lot to say! Also, your mind tends to drift and you find it difficult to study very factual material that doesn't have much color or imaginative appeal. Your intuition and first impressions are likely to be quite accurate, however, and you tend to depend upon this faculty in making decisions.

Mercury Conjunct Uranus:

An independent and original thinker, you are excited by new ideas, discoveries, and innovations. Your mind functions in an intuitive, nonlinear fashion, and sudden insights and ideas often come to you "out of the blue". You grasp ideas very quickly and often become impatient with those who are slower or more cautious than yourself. You are considered rather eccentric and unusual in your interests by more conservative minds. You do well in an open, unpredictable atmosphere where flexibility and quick responses are needed. You have an aptitude for science, mathematics, electronics, or astrology.

Mercury Conjunct Pluto:

Suspicious that appearances are superficial and masking the "real nitty-gritty", you are always probing beneath the surface to uncover the deeper, hidden aspects of a matter. You are interested in anything secret or mysterious. You have great powers of concentration and a penetrating mind, with an aptitude for research, investigative reporting, or detective work. You are also keenly observant and seem to have "x-ray vision" regarding the inner motivations and intentions of other people. You could make an excellent psychotherapist, uncovering the deeper causes and roots of a person's emotional problems. You may also be drawn to esoteric or occult studies and the development of unusual mental powers. Stories of mystery, intrigue, espionage, etc. fascinate you.

Chapter 4: Emotions: Moods, Feelings, Romance

Moon in Cancer:

You respond very much to the emotional tone and atmosphere around you, and can be dominated by your fluctuating and unpredictable moods. You often appear irrational to others because you cannot always explain the reason or source of your feelings. Anyone who lives with you must accept your ups and downs and appreciate your need for times of withdrawal.

You are also very sympathetic and understand the unspoken feelings and needs of others. You take slights and rebuffs very personally and though you may forgive a transgression by a friend or loved one, you never forget it.

Moon in 11th house:

You get a lot of emotional fulfillment through your involvement in groups, clubs, organizations, community activities, or a network of close friends who support and care for you. You make friends your family, and feel a close kinship with people who share some ideals or beliefs that you hold dear. You need people outside of your physical family to relate to and belong to.

Moon Conjunct Mars:

You feel that you must always be **DOING** something, and become impatient and irritable if you have to slow down or wait for anything. A stormy home life may be the result of your own tendency to fight for what you want, rather than compromise. You may not realize how competitive you are.

Moon Trine Neptune:

The beauty and harmony of your surroundings has a very powerful effect on your emotions. You are very sensitive and cannot stand to be in an atmosphere where there is discord or dissonance. Gentle, kindhearted, and peace-loving, you will give or sacrifice much in order to avoid a fight and to "make everyone happy".

Moon Sextile Pluto:

You enjoy emotional intensity and are attracted to the mysterious, the unknown, and to dangerous or challenging experiences which draw on all of your inner resources. You are able to handle an emotional crisis very well, and you are interested in the deep roots of emotional problems and how to cure them. You insist on bringing feelings between people out into the open, for you want real closeness and intimacy with others, without barriers or secrets.

Venus in Cancer:

Sensitive and sentimental, you are deeply attached to your family, old friends, familiar places, and the past. You are romantic and tender in love, and the remembrance of birthdays, anniversaries, family rituals, and other days of personal significance is very important to you. You seek caring, emotional support, and security in love. You like to be needed, to cherish and protect your loved ones, and you are somewhat possessive of them.

Venus in 11th house:

You are a very sociable, congenial person and you wilt very quickly without the company of good friends and people to share good times with. You thoroughly enjoy working with others on group projects or community activities. You are quite happy when you are a part of a club, support group, or team of some sort.

Venus Conjunct Mars:

You are extremely amorous and it is difficult for you to go without a romantic involvement for very long. When you are attracted to someone, you pursue them very ardently and sometimes come on too strong. Doing creative work or artistic work can also satisfy the very strong desire for love and beauty that you feel.

Venus Sextile Jupiter:

You appreciate beautiful surroundings and congenial company, and though you enjoy helping people, you will rarely put yourself out too much in order to do so. You are good-humored and generous at heart but inclined to be lazy.

Chapter 5: Drive and Ambition: How You Achieve Your Goals

Mars in Cancer:

You avoid direct confrontation as much as possible and are uncomfortable with aggressiveness, competition, and personal power. Your ego drive is not very strong and you are not especially ambitious or eager to push your way to the top. You may feel inadequate in situations that call for strong, forceful action. The only instance in which you will really fight is when you feel your loved ones, or something dear to you, is being harmed, for then you are a fierce defender. You have a very strong protective side. You act on impulse and instinct and may lash out at anyone you perceive as threatening to your home or family. However, you will rarely initiate a confrontation. Your goals also tend to be very personal and centered around family closeness and inner satisfaction rather than worldly achievement.

You are sensitive to stress and do not handle a high-pressured, competitive atmosphere very well. You are very touchy, irritable, and difficult to live with when there are many demands or tensions at work. Your energy level is inconstant and is very much dependent upon the emotional harmony (or lack of it) in your home. A supportive partner is of great benefit to you in helping you achieve your goals and desires.

Mars in 11th house:

You are a team player and work well in collaboration with others who share your goals, ideals, and intentions. You can coordinate group efforts and inspire people to work toward a shared goal.

Team sports are also a lot of fun for you, and you could be a leader, coach, or director of any group endeavor.

Chapter 6: Other Influences

Jupiter in Taurus:

Material comfort, security, and well-being are quite important to you, and you are not one to have your head in the clouds when financial matters and future security are at stake. Your strengths are practicality, a love of the earth, and the ability to take great delight in the sensual pleasures of the natural world. Also, when you feel secure financially, you are likely to be very generous and hospitable.

Jupiter in 9th house:

You are very open-minded and deeply curious about distant places and ways of thinking and living that are different from your own. The urge to travel widely and to experience as much of the world as possible is very strong in you. The study of philosophy or religion also interests you a great deal. You benefit from your contact with other cultures, and you may be involved in linking those who are far apart geographically or philosophically.

Saturn in Pisces:

You often have a sense of longing or homesickness for something you cannot name or specify, and you may have both a great attraction toward, and fear of, mysticism and parapsychology.

Overcoming feelings of fear, guilt, anxiety, loneliness, or oversensitivity is an important task for you.

Saturn in 6th house:

You take both your work and your health very seriously, but you may demand so much of yourself at work that you compromise your health. You can become a workaholic, not so much because you have lofty ambitions, but because you never feel like you've done enough. You are overly responsible or overly conscientious at work, so much so that you may not enjoy it at all.

You can also get overly involved in self-improvement or your health, and you tend to be a bit of a hypochondriac.

Uranus in Virgo:

You are part of a 7 year group of people who employ their skills and creativity to bring about a great deal of practical reform in education, medical care, and other social services. Your innovations are not radical or unusual, but they are usually effective.

Your generation also has a curious mixture of both conservative, ethical people, and rebellious, disruptive people. There seems to be little middle ground for your age group, and you swing to one extreme or the other. The conservative people strive to reinstate strict moral standards, want to swiftly punish criminal behavior, and strive to highlight the importance of old-fashioned values in our lives, laws, and overall life style. On the other hand, the rebellious people of your generation are angry at the established way of doing things and act in a defiant, crude, and coarse manner.

Uranus in 12th house:

Most people do not see your wild, daring, "crazy" side, and you yourself may be unaware of it! You tend to hold back the unconventional, inventive, impulsive side of you nature - or to live it out only in your private fantasies. You may have strange dreams!

Uranus Conjunct Pluto:

You were also born during a period that lasted approximately 5 years and is characterized by extreme restlessness and an impatient, dynamic attitude towards life. You are part of a group of people who can be explosive and even violent in their reactions to situations. You do not tolerate being restricted, and your age group rebels with force and anger against oppressive situations.

Neptune in Scorpio:

You are part of a 14 year group of people that have very intense psychic sensitivity and imagination. Your age group is very attracted to the strange, weird, and unusual. The sense of the macabre and bizarre is strong, and this is reflected in much of the music, art, and fashions of your age group. Novels and movies with mystery and chilling suspense are also popular with your age group. Emotional depression, drug use, and suicide are likely to be relatively high in your age group. There is also a deep mystical sense, and Eastern religions and meditation are very attractive to your age group.

Page 11 of 13

Neptune in 3rd house:

Daydreaming, lack of concentration, and inattention to your surroundings can be problems for you. Your mind tends to wander unless you are using it in an imaginative, creative way. Dry facts and cold logic hold no appeal for you, and unless a subject has a colorful or personally inspiring element, you won't stick with it for long. You have a sensitive, intuitive bent.

Neptune Sextile Pluto:

The entire generation to which you belong has tremendous opportunities for spiritual rebirth and awakening. This will not be forced upon you or precipitated by unavoidable events, rather it comes from an inner yearning and a natural propensity to seek the depths.

Pluto in Virgo:

You are part of a 15 year group of people that are driven by the need to find an ethical standard and a clear sense of what is right and what is wrong. There is a subconscious drive to straighten out all the world's evils and create a world of perfect order. There is a feeling of repulsion to anything ugly, dirty, or grotesque. Oddly enough, there is also often a fascination with these very things that are so distasteful, and often a feeling of hopelessness and despair about the world's condition.

These inner, emotional and conflicting qualities are reflected in the attitudes and life styles of your generation. Most people of your age group are conservative and ethical, and a small minority goes to the opposite extreme and relishes being strange or unusual in appearance, and sloppy or even grotesque in manners and appearance. There seems to be no middle ground for your generation. Usually, the rebellious type of behavior comes out during adolescence, and tends to subside thereafter, and your age group tends to be very conservative in later life.

Your age group is not very good at compromising and tends to have strong ideas about what is right and what is wrong. There is a strong feeling that you must extinguish evil in the world. Certainly, fostering good works is very commendable, but a categorical and simple-minded response to complex issues is not helpful. Your age group will undergo great transformations in attitudes regarding Good and Evil and will swing to great extremes. Your generation will also make great contributions in the areas of medicine and nutrition, ecology, and education.

Pluto in 12th house:

You have a deep interest in secrets, the underworld or unconscious, and anything hidden and mysterious. Psychoanalysis, investigating your dreams, and other methods of uncovering secrets are very interesting to you. You may be exceptionally perceptive intuitively or psychically. Your emotions and subconscious energies are complex, and periodic transformations and personal crises are sprinkled liberally throughout your lifetime.
