INTRODUCTION

This Lovers Report is divided into 4 chapters.

Chapter 1 compares your temperaments and personalities. The issues described in Chapter 1 become particularly powerful if you are married or live together. Idiosyncrasies or quirks in another person's personality do not bother us as much if our relationship is a casual one. For example, if one person is neat and tidy and the other is sloppy, this is more likely to become a concern if you are married than if you are only seeing each other occasionally.

Pay close attention to the issues described in Chapter 2 because these are the most important themes in your relationship. For example, if themes of romance and sexual attraction are emphasized, then you can count on this relationship being a passionate one. However, if romance and sexuality are hardly mentioned at all, then this relationship will not be a passionate one. Note also that the material in Chapter 2 is presented roughly in order of importance, so that the material presented at the beginning of Chapter 2 is the most powerful.

Chapter 4 describes issues in your relationship of less importance than those presented in Chapter 2. Chapter 3 describes situations and circumstances that arise if you have a close, long-lasting relationship.

If a statement appears to contradict another statement, then your roles are likely to alternate. For example, a statement that Jessica is more aggressive than Nick, and another statement that Nick is more aggressive than Jessica, means that you alternate roles, with Jessica sometimes being the leader and Nick being the follower, and sometimes just the opposite. Also, read the statements carefully, as it is likely that a careful reading will reveal different kinds of aggressiveness or areas in which the aggressiveness is likely to express itself.

To make the most of this report, combine this astrological analysis with other things that you know about each other. For example, we have assumed that you are opposite-sexed (assuming that both of you are heterosexual, otherwise same-sexed). Physical attractiveness, age, religion, education, family and cultural background will affect your relationship as well. The material in Chapters 2, 3, and 4 of this report describes the magnetism between you, but does not describe your individual natures. For example, suppose that Chapter 2 makes little mention of romance and sexuality, but the Natal Reports for each of you indicate that each of you has extremely strong romantic and sexual desires. In this case, marriage is not likely to be successful! However, if romance and sexuality are not important to either of you, then the lack of passion in your relationship is not likely to be as much of a stumbling block.

Chapter 1

A Comparison of Temperaments and Life Styles that Affect Your Ability to Harmonize with Each Other

Jessica's Sun in Cancer and Nick's Sun in Scorpio:

Both of you have strong, deep feelings and you bond very intensely. Consequently you become very attached to each other and cling tightly to each other. However, your emotional natures are different in many ways too. Jessica often feels more compassion and sympathy for someone, while Nick may view Jessica's feelings as sentimentality. When wounded, Nick becomes resentful and vindictive. Jessica, on the other hand, cries or sulks, and usually lets the other person know (verbally or nonverbally) about it. Nick, by contrast, hides it.

You may also have different attitudes towards sexuality versus love. For example, Jessica may feel that Nick is sometimes more driven by instinct and lust than by love, and this may become an issue in your relationship. Overall, though, the intense bonding and emotionality of your relationship fosters a deep, lasting attachment between you.

Jessica's Moon in Gemini and Nick's Moon in Taurus:

The major difference between you is that Jessica needs a lot of mental stimulation, and enjoys change and movement, while Nick is much more deliberate, and slow to move or change. Nick feels unhappy if asked to make frequent adjustments in routines or in the home environment, while Jessica is likely to feel restless or stifled if things stay the same for too long. Domestic tranquility and security are very important to Nick, who is much more stable and even-tempered than Jessica.

Loyalty, constancy, and commitment come more naturally to Nick, while Jessica is reluctant to be completely committed, emotionally.

Nick is also a more sensual and instinctive person than Jessica, who is emotionally more mental, aloof and expressive. Nick may be unable to articulate the reasons for an opinion or stance, yet be unwilling to budge from it. Nick's stubbornness and slowness to embrace new experiences can be very trying to Jessica. But Nick's emotional steadiness and nurturing qualities are also very appealing to Jessica.

Nick may sometimes feel that Jessica lives in a fantasy world too much. Nick also needs a lot more touching and physical closeness than Jessica at times.

Both of you have Sun conjunct or in hard aspect to Mercury:

Wit, intelligence, and an active mind are attributes the two of you share, and in your relationship there will be a focus on communicating, bantering, a lot of verbal give and take. Both of you tend to be the dominant one in any discussion or debate, and you may find yourselves competing with each other in your discussions. This most likely will not be a major problem, but both of you would do well to step back and truly listen to one another.

Intellectual interests and/or hobbies are apt to play a significant role in your relationship.

Venus & Pluto hard or conj for Nick, soft for Jessica:

For both of you, love is a highly-charged, intense matter that is a potentially life-changing, transformative experience. Intimacy and relationship make up the arena where you encounter your deepest selves, including those aspects of your character that you might prefer to remain hidden. However, for Jessica, this deep bonding and self-revelation are apt to be profoundly satisfying and easier to surrender to, while Nick is apt to struggle with issues of power and control, fear of loss, lack of trust, jealousy, and other deep feelings which can prevent these relationships from proceeding smoothly. Together the two of you could have a very deep sharing, if each of you is willing to enter deeply into it. This won't be a casual or superficial relationship.

Chapter 2

Major Themes in the Relationship: What Brought You Together

Nick's Mercury Conjunct Jessica's Uranus:

You inspire each other to develop original, creative ideas. Jessica, especially, awakens, enlivens, or radically changes Nick's ideas and perspective. There is a strong impulsive quality too, and together you tend to make decisions impulsively. This is fun and exciting when the decisions are relatively harmless (for example, suddenly deciding to go to the beach), but care is needed before making more important decisions (for example, suddenly deciding to get married).

Jessica's Sun Trine Nick's Sun:

Your basic aims and approach to life are in harmony, and the mutual respect you feel forms the basis of an excellent friendship or partnership. You feel understood, appreciated, recognized, and affirmed by one another. You stimulate, vitalize, motivate, and believe in each other.

Jessica's Sun Trine Nick's Mercury:

The mental rapport that you two share is a big reason why you enjoy each other's company and are good friends. Communication is open and harmonious. You work together very well on practical affairs, daily chores, problem-solving, and business activities.

Nick's Moon Trine Jessica's Jupiter:

A pleasant, harmonious tone pervades your relationship. This quality is so natural to your association that it is easy to take it for granted. You feel very at home and comfortable with each other. You put each other in a good mood, and your domestic life tends to be very harmonious. You may bring out a lazy, indolent, self-satisfied side in one another.

Jessica's Mercury Trine Nick's Mercury:

You solve problems and think about issues with a similar perspective and you are able to communicate clearly to each other. You enjoy talking to each other, sharing ideas, and learning from each other, and you are able to plan, design, and develop ideas jointly in a very successful manner.

Chapter 3 Destiny and Final Outcome of Your Relationship

Composite Sun Conjunct Mercury:

Yours is an intellectual relationship, among other things. Exchanging thoughts, studying together, sharing information, talking and bantering, turning one another on to new books or ideas, sparking one another's curiosity and interest in the world - all of these are important aspects of your relationship. A certain detachment and the ability to think about and talk about what is going on between you are also highlighted. Put simply, becoming more conscious or more informed and educated is a significant reason the two of you are drawn together.

Composite Mars Quincunx Neptune:

With the two of you there will be some sort of confusion and doubt about what you as a couple really desire versus what you believe you should want or are capable of getting. Perhaps your ideals of unselfishness or non-possessiveness interfere with a direct, honest, purposeful pursuit of personal, "selfish" aims.

A sense of discouragement, of being undeserving, or "sour grapes" will have to be challenged and overcome. A desire to have good things come magically, with no effort can impair your effectiveness. It will be important, too, to formulate realizable, realistic goals and desires for yourselves.

Composite Mars Square Pluto:

Uncanny and inexplicable events and forces beyond your control will severely challenge your joint efforts. Overcoming these situations will demand of you both all of your reserves and power. As a couple it will seem that you are always fighting something. If you focus on cooperating and directing your energies into work, a shared objective, or doing battle with outside adversaries, you can accomplish extraordinary things. If, however, you fight and compete with one another, the results will be much more destructive. Furious struggles over power may ensue, and the degree of fury and anger unleashed would be truly awesome. These battles could occur in the bedroom, also. Above all do not try to force your will or fundamentally alter the other's essential nature, because this will be the gasoline on the fire that could burn the whole house down.

Composite Saturn Trine Neptune:

Spiritual discipline is a focus in this relationship, whether or not the two of you view it that way. The longer you are together the more this rather subtle purpose in your relationship will be felt. There will be an increasing tendency towards simplifying your lives, eliminating waste and unnecessary distractions, and trying in real, small, everyday ways to live your ideals. Finding a form or structure or some concrete expression for your spirituality is a part of it. While not a particularly exciting or glamorous or romantic aspect of your relationship, it provides quiet, inner satisfaction, and must be considered an asset for the two of you.

Composite Mercury Sextile Jupiter:

Intellectual openness, tolerance for one another's thoughts and beliefs, a sense of good humor and fair play, and an overall compatibility on a philosophical level bode well for the two of you as a couple. A good intellectual rapport and flow of communication, especially regarding long-range plans or "the big picture", help smooth out any differences that come up.

Friendship and fellowship with like-minded people, a social circle based on common interests and ideals, is also destined to be a positive aspect of your togetherness.

One thing you will enjoy about being in each other's company is that your conversations with one another strengthen your faith, optimism, and hopefulness.

Composite Venus Trine Jupiter:

Wonderful good fortune and blessings on many levels come to you both as a result of being together. Yours is destined to be a very felicitous relationship, one that promises both happiness and growth. You will bring out the finest in one another, and contribute to one another's success, as well as one another's joy.

Many things come to you without a great deal of effort on your parts, including material comfort and well-being. A spirit of generosity and abundance permeates your bond, and as a couple you generate so much friendliness and good will that you will always have a "safety net" in the form of friends and caring others.

Simply sharing happiness is one of the key purposes in your relationship.

Composite Saturn Sextile Pluto:

Together you have a great deal of endurance and staying power - which you will need over the course of this relationship. Facing losses, living through tough times, and somehow forging an even stronger bond because of these hardships - are all indicated. While this is not destined to be an idyllic relationship, it will be a deep one.

Chapter 4 **Other Themes in Your Relationship**

Nick's Sun Conjunct Jessica's Uranus:

You inspire each other to try new things, experiment, and investigate alternatives. You may have met each other, for example, during a time period when both of you were breaking free from traditional values and exploring new possibilities. There is a lot of excitement and spontaneity in your relationship. The two of you may find it difficult to settle down into a stable life style - there will always be surprises and unexpected turns in your relationship. You encounter lots of new ideas, unusual people, adventure, and exciting times together. You both enjoy a good measure of freedom and independence in this relationship, but either of you may wish that there was more commitment, devotion, seriousness, warmth, and closeness.

Jessica's Moon Trine Nick's Uranus:

There is an upbeat, enthusiastic, spontaneous quality to your relationship. You spark each other's imagination, creativity, and wit. You feel loose and uninhibited with each other, and you enjoy exploring life and sharing new experiences. Also, if you both enjoy dancing or playing music, you have found a wonderful dance and/or music partner. You spark each other's sense of rhythm, and you can work together very spontaneously, yet gracefully - an indication of sexual compatibility and satisfaction as well.

Jessica's Moon Sextile Nick's Mars:

You arouse one another's feelings and desires, and both of you feel it is easy to express what you want from your partner in an open, direct way. You enjoy sports, active play, or other vigorous physical activities together.

Jessica's Mercury Square Nick's Uranus:

You often say things to shock or shake up each other, and you can get very high-strung when you are together. You tend to set a fast pace. This provides a good deal of excitement in your lives, and you will find yourselves periodically jumping on a new bandwagon, experimenting with a new idea, or exploring new alternatives. However, the impatience with each other is likely to cause sudden arguments and anger to flare.

Nick's Venus Square Jessica's Mars:

This is likely to be a stormy and fiery relationship. The romantic attraction between you is very strong, but your feelings are often not in tune with each other. One of you (typically Jessica but sometimes Nick) may feel sexually aroused by the other and consequently be too aggressive in approach, while the other person feels great love and affection, but is not feeling as sexually attracted. Jealousy and possessiveness are also likely. Feelings can swing back and forth and you may not realize how much you love each other until you are away from each other.

Nick's Venus Trine Jessica's Jupiter:

You are generous with one another, always ready to help each other, and you have a great respect and appreciation for one another. You also allow one another a lot of freedom to develop other friendships, rather than clinging possessively to one another. You may also benefit from one another materially as well as emotionally.

Jessica's Mars Square Nick's Saturn:

In your partnership, Jessica is the eager, passionate, active and impulsive one, and Nick frequently puts on the brakes or tries to control, play down, and restrain Jessica's desires and drives. This may be true in your sexual relationship, your approach to achieving goals, or both. Jessica is likely to feel very frustrated, angry or discouraged if Nick expresses disapproval or caution too often, and this can be a source of considerable friction between you. Nick feels overwhelmed and envious of Jessica's intensity and assertiveness, but instead of trying to hold Jessica down, Nick should confront the fears and inhibitions that Jessica's directness evokes.

Page 11 of 12

Jessica's Jupiter Square Nick's Neptune:

You stimulate one another's expansive, restless, imaginative, idealistic, and impractical sides. You inspire one another, but there's a fine line between being optimistic and being foolhardy, and together you tend to overestimate what you can really do, to be blinded by an overly hopeful or grandiose sense of what is possible.

Nick, in particular, should avoid exaggerating, misrepresenting, or subtly misleading Jessica, or encouraging Jessica to be irresponsible.

Traveling, vacationing, gambling and other "escapist" activities are things you are inclined to do together.

If you are inclined toward spirituality or mysticism, this aspect of yourselves will be emphasized by being together, along with a tendency to become rather unbalanced, overly idealistic, or ungrounded in your approach.

Thank you for your order!
