*Jessica's Sun in Cancer and Nick's Sun in Scorpio:*

Both of you have strong, deep feelings and you bond very intensely. Consequently you can become very attached to each other and cling tightly to each other. However, your emotional natures are different in many ways too. Jessica often feels more compassion and sympathy for someone, while Nick may view Jessica's feelings as sentimentality. When wounded, Nick becomes resentful and vindictive. Jessica, on the other hand, cries or sulks, and usually lets the other person know (verbally or nonverbally) about it. Nick, by contrast, hides it.

You have a rapport and understanding of one another that is instinctive and non-verbal, and you could be very tight friends. You both can be very possessive also.

*Jessica's Moon in Gemini and Nick's Moon in Taurus:*

The major difference between you is that Jessica needs a lot of mental stimulation and enjoys change and movement, while Nick is much more deliberate, slow to move and to change. Nick feels unhappy if asked to make frequent adjustments in routine or home environment, while Jessica is likely to feel restless or stifled if things stay the same for too long. Domestic tranquility and security are very important to Nick, who is much more stable and even-tempered than Jessica.

Nick is also a more sensual and instinctive person than Jessica, who is more intellectual and fluent with language. Nick may be unable to articulate the reasons for an opinion or stance and yet be unwilling to budge from it. Nick's stubbornness and slowness to embrace new experiences can be very trying to Jessica. But Nick's emotional steadiness and nurturing qualities are also appreciated by Jessica.

*Nick's Sun Conjunct Jessica's Uranus:*

You inspire each other to try new things, experiment, and investigate alternatives. You may have met each other, for example, during a time period when both of you were breaking free from traditional values and exploring new possibilities. This is a good relationship for shared creative, innovative activities. You inspire each other, and have good times together, but you also find that commitments or contracts with each other are difficult to adhere to over time. This relationship works well as long as you don't make too many demands on each other.

*Jessica's Sun Trine Nick's Sun:*

Your basic aims and approach to life are in harmony, and the mutual respect you feel forms the basis of an excellent friendship or partnership. You feel understood, appreciated, recognized, and affirmed by one another. You stimulate, vitalize, motivate, and believe in each other.

*Jessica's Sun Trine Nick's Mercury:*

The mental rapport that you two share is a big reason why you enjoy each other's company and are good friends. Communication is open and harmonious. You work together very well on practical affairs, daily chores, problem-solving, and business activities.

*Nick's Moon Trine Jessica's Jupiter:*

A pleasant, harmonious tone pervades your relationship. This quality is so natural to your association that it is easy to take it for granted. You feel very at home and comfortable with each other. You put each other in a good mood. You may, however, also bring out a lazy, indolent, self-satisfied side in one another.

*Jessica's Moon Sextile Nick's Mars:*

Your relationship is dynamic and energetic. If both of you enjoy athletic sports or other physical activities, you will have a wonderful time sharing these interests. You work well as a team and you are able to coordinate your efforts in a very harmonious, successful way.

*Nick's Mercury Conjunction Jessica's Uranus:*

You inspire each other to develop original, creative ideas. Jessica, especially, awakens, enlivens, or radically changes Nick's ideas and perspective. There is a strong impulsive quality too, and together you tend to make decisions impulsively. This is fun and exciting when the decisions are relatively harmless (for example, deciding to go somewhere together), but care is needed before making more important decisions (for example, suddenly deciding to form a business partnership).

*Jessica's Mercury Trine Nick's Mercury:*

You solve problems and think about issues with a similar perspective and you are able to communicate clearly to each other. You enjoy talking to each other, sharing ideas, and learning from each other, and you are able to plan, design, and develop ideas jointly in a very successful manner.

*Nick's Venus Trine Jessica's Jupiter:*

You are generous with one another, always ready to help each other, and you have a great respect and appreciation for one another. You allow one another a lot of freedom to develop other friendships, rather than clinging possessively to one another. You may also benefit from one another materially as well as emotionally.
