INTRODUCTION

This Friends Report is divided into 4 chapters.

Chapter 1 describes your temperaments and personalities. The issues described in Chapter 1 become particularly powerful if you have a close or long-lasting relationship. Idiosyncrasies or quirks in another person's personality do not bother us as much if our relationship is a casual one. For example, if one person is neat and tidy and the other is sloppy, this is more likely to become a concern if you depend on each other in a business partnership than if you are casual acquaintances.

Pay close attention to the issues described in Chapter 2 because these are the most important themes in your relationship. For example, if themes of open communication and friendliness are emphasized, then you can count on this relationship growing into a close, long-lasting friendship. However, if friendliness and harmony between you are hardly mentioned at all, your relationship will be a more formal, less personal one and you probably won't think of one another as close friends. Note also that the material in Chapter 2 is presented roughly in order of importance, so that the material presented at the beginning of Chapter 2 is the most powerful.

Chapter 4 describes issues in your relationship of less importance than those presented in Chapter 2. Chapter 3 describes situations and circumstances that arise over time if your relationship is a long-lasting one.

If a statement appears to contradict another statement, then your roles are likely to alternate. For example, a statement that Courteney is more aggressive than Jennifer, and another statement stating that Jennifer is more aggressive than Courteney, means that you alternate roles, with Courteney sometimes being the leader and Jennifer being the follower, and sometimes just the opposite. Also, read the statements carefully, as it is likely that a careful reading will reveal different kinds of aggressiveness or areas in which the aggressiveness is likely to express itself.

To make the most of this report, combine this astrological analysis with other things that you know about each other. For example, if your relationship is strictly business-related and close, personal friendship is unimportant to both of you, then it will not concern you if there is little warmth in the relationship. However, a lack of warmth and sympathy, or a tendency to be critical and judgmental of one another, is a more serious problem in a parent-child relationship. You may also want to order a Natal Report for each of you. The Natal Report describes your individual traits. The material in Chapters 2, 3 and 4 of this report describes the dynamics of your relationship, but does not describe your individual natures.

Chapter 1

A Comparison of Temperaments and Life Styles that Affect Your Ability to Harmonize with Each Other

Courteney's Sun in Gemini and Jennifer's Sun in Aquarius:

You have an excellent intellectual rapport. You spark each other's wit and you love to toss ideas back and forth. Intellectual companionship is important to both of you, and in this relationship you have found a friend whose conversation and company you appreciate. There are differences between you though. Courteney is more adaptable and flexible in thinking and behavior than Jennifer is, and Jennifer has beliefs, philosophies, or a cause which can get in the way of a free and easy exchange of thoughts. Jennifer tends to be dogmatic or rigid, even if quite progressive, and this puts Courteney off at times.

Courteney's Moon in Virgo and Jennifer's Moon in Sagittarius:

Courteney is practical, careful, discriminating, and somewhat conservative, while Jennifer is idealistic, generous, looser, and more of a gambler. Where Courteney tends to play it safe or to follow a logical, well-defined, and secure path, Jennifer is inclined to take risks and act on faith. Jennifer is an optimist, while Courteney, though not exactly a pessimist, is certainly a realist.

Courteney is precise, fastidious, and loves order, while Jennifer can be careless and indifferent to the minute details that mean so much to Courteney.

Courteney will stay on a budget, while Jennifer finds it irksome (if not impossible) to do so! Courteney is punctual; Jennifer, often, is not. Jennifer tends to exaggerate and promise more than is possible, while Courteney is sober, clear, and impartial, and also more diligent about carrying out promises.

At first, Courteney may find Jennifer's optimism and playfulness refreshing and attractive, but over time the two of you could have serious differences, especially if you try to convert one another to your own way of doing things.

Moon & Pluto hard for Jennifer, soft or conj for Courteney:

You share a similar emotional depth and intensity, and passionate feelings about loved ones, family, and especially children.

Either or both of you may have come from an abusive family, and healing the resultant traumas is an important part of your journeys. You can help one another with this. Courteney, in particular, may help Jennifer release the pain from an unhappy past.

If both of you are not honest about and conscious of just how you were affected by your treatment as children, the two of you can become enmeshed in an emotional swamp, imprisoned by old conditioning and replaying the same old theme song of your youth over and over again in your current relationships.

Chapter 2 Major Themes in the Relationship: What Brought You Together

Courteney's Sun Opposition Jennifer's Moon:

Over time the two of you will become best friends or worst enemies - with no in between! There is a strong bond between you and you really understand and appreciate each other, but if a conflict or radically different viewpoints and ideals should ever arise in your relationship, you just as quickly become adversaries, embracing diametrically opposite attitudes and ideas.

Courteney's Mars Opposition Jennifer's Neptune:

You can act very silly and childish together. When the two of you get together, you love to let your imaginations run wild. You have difficulty accomplishing anything of a serious or mundane nature together, and you prefer to explore artistic, religious, and metaphysical areas, rather than focus on more mundane affairs.

Courteney's Sun Square Jennifer's Pluto:

Your relationship is intense and complex. You engage in deep, intense discussions and encounters that unveil your innermost thoughts, feelings, goals, hopes, fears, and ambitions. This is not a superficial relationship! You are very uninhibited with each other, and you open up to each other more readily than to others. Be wary of power struggles, however, as Jennifer, in particular, may be tempted to manipulate and control Courteney. Also, either of you may feel threatened, embarrassed, or disempowered by revealing so much of yourself to the other, and consequently feel the need to be secretive and competitive with each other. You have a profound influence upon one another, for good or ill.

Courteney's Sun Trine Jennifer's Sun:

Your basic aims and approach to life are in harmony, and the mutual respect you feel forms the basis of an excellent friendship or partnership. You feel understood, appreciated, recognized, and affirmed by one another. You stimulate, vitalize, motivate, and believe in each other.

Jennifer's Mercury Trine Courteney's Mars:

You inspire each other to refine and clarify your ideas, plans and strategies. You are an effective team in research, writing, or business pursuits. You also help each other to successfully implement a plan or follow through on an idea until it manifests as a successful product or creative work. You also have spirited, feisty debates with one another.

Courteney's Venus Square Jennifer's Uranus:

Excitability, spontaneity, getting a bit loose or crazy together and acting on impulse are highlighted in your relationship. You may have an on again/off again type of relationship, somewhat unpredictable or unconventional or unstable, but it can be a great deal of fun. Negatively, both of you tend to be unreliable toward the other, and unwilling to forego personal desires or freedom for the sake of the other. Much flexibility and tolerance are required of both of you in order to bring out the best of each other in this relationship.

Chapter 3

Destiny and Final Outcome of Your Relationship

Composite Sun Square Jupiter:

One of the purposes of your friendship is to inspire each other to aim higher, to do bigger things, to see much more of the world, and to expand your sense of what is possible. The energy generated when you are together inclines you to do things on a grand scale, and to constantly strive to expand, grow, and improve your lives.

Inner growth and spiritual or psychological development are enhanced when you are together. Higher ideals, religion, philosophy, and the big questions of life will become a focus of your relationship, even if neither of you is especially oriented toward these subjects. There may well be differences and friction over these topics, but you both will learn about your own faith and beliefs via your friendship.

Composite Venus Trine Uranus:

Openness, unconventionality, freedom from limiting ideas about how people "should" arrange their lives, and willingness to experiment - these will inevitably play a significant role in your relationship with each other. You may be "breaking the rules" in some significant way, just by being friends. The differences in your ages, races, or backgrounds may take people by surprise, for instance. You may be involved in new art forms, progressive music and dance, or other avant-garde creative endeavors.

Composite Venus Opposition Neptune:

If you are friends for a number of years, you will find that you develop similar tastes in art, music, and movies, and that you can inspire one another's imagination. You may become jointly involved in some activity that requires a lot of imagination or aesthetic sense. You also trigger each other's childish sense of awe and wonder and you will enjoy casting off your adult roles to enjoy life. The phrase "the only difference between men and boys is the size of their toys" may well apply to the two of you; and this phrase can apply to women as well! You may also get inspired about goals of a very humanitarian or selfless nature.

There is the possibility that your inspired imaginations can overwhelm your pragmatic, realistic sense of things, so be careful before embarking on any grand missions that you have done your homework first. You must especially be careful to

make sure that your values and goals are really the same. There is a very strong possibility that you will make a decision, only to find out later that your real goals and dreams are not as similar as you first thought, or that you are not as well prepared or knowledgeable or proficient as you first thought.

Composite Sun Trine Mars:

Together, you are dynamic, energetic, bold, and able to accomplish a great deal. You may find that spending time together gives you more energy and more desire to do and to achieve. You excel together in athletics, vigorous outdoor activities, and the like.

Part of the essence of your relationship has to do with fostering confidence and a positive, active approach to life. You enable each other to be assertive, and to feel proud of yourselves and your achievements.

Composite Sun Quincunx Neptune:

Truthfulness, honesty, and personal integrity will become important issues between you. This isn't to say there will necessarily be any willful deception, but subtle nuances and innuendoes which can be misinterpreted, omitting pertinent information, or leading the other to believe something that isn't strictly true, can create mistrust and uncertainty in your relationship.

On the other hand, the two of you may be square with one another, but find yourselves involved with disreputable schemers. In any practical or financial matters, beware of being taken advantage of. When you join forces you have a tendency to believe what you want to believe, and to thus be misled.

Composite Venus Trine Pluto:

Over time the two of you reveal a lot about yourselves to each other and you grow to become close friends. Your relationship is a good one and both of you find that you can express your feelings more directly and honestly to each other than you can to others. This honest and sincere sharing of feelings deepens your own awareness and sensitivity. Your friendship will deepen over time and you will find that in times of difficulty or crisis, you can really be a great support and help to each other.

Composite Mars Quincunx Saturn:

Things often do not flow smoothly when you two are together. Numerous minor delays and setbacks hinder you. Irritations and aggravating circumstances arise, causing you to blame each other and accuse each other of neglect and poor handling of the situation, whether or not the accusations are justified. Both of you simply need to try to maintain equanimity, fix the problems, make adjustments in plans as necessary, and move forward.

Chapter 4

Other Themes in Your Relationship

Courteney's Mercury Sextile Jennifer's Venus:

You are able to share your feelings, interests, and ideas with an unusual degree of openness and honesty. It is likely that you enjoy discussing at length your feelings and thoughts about literature, the arts, and psychology, and these conversations are invariably mutually stimulating, interesting, and harmonious. It is also possible that you will successfully work together in some creative area.

Courteney's Venus Square Jennifer's Jupiter:

You enjoy laughing, playing, socializing, and going out together to have a good time. You are expansive and generous with one another, and are inclined to spend unwisely, overeat, or otherwise overindulge when you're together. If you live together or work closely with one another, disagreements regarding finances, budgeting, or investments are likely to arise.

Courteney's Mars Opposition Jennifer's Mars:

You enjoy challenging each other and competing against each other. You could easily become rivals or foes, as you tend to oppose one another and to spark one another's fighting instincts. There is an aggressive quality between you which can give your interactions an energetic and lively, but rather combative tone.

Courteney's Mars Trine Jennifer's Uranus:

An electric, exciting quality infuses your relationship and you encourage one another to be bold, confident, and assertive. Vigorous physical activities, like sports, are good outlets for the vital dynamic energy you generate together. Your unusual, original, unconventional impulses emerge when you are together, also.

Courteney's Mars Trine Jennifer's Pluto:

You build one another's courage, and bring out the Hero in one another. Together, you have an enormous amount of energy for working and accomplishing. Jennifer, especially, may drive or push Courteney further than Courteney could go or would want to go alone.
