

User Manual

Room Functionality

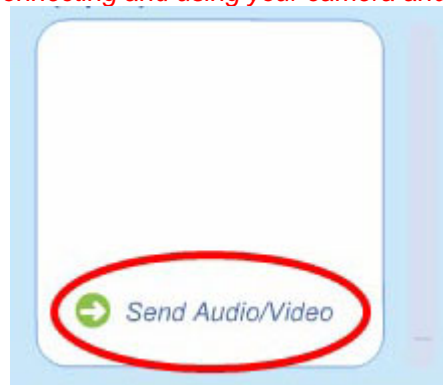

Last updated 16 March 2007

1. Login to the Private Chat room <http://www.psychicguild.com/privatechat> with your username and password. When you login, the room will look similar to this:

Legend:

1. **Video Feed Window 1** – Here you will see the live video stream of the psychic once they enable their feed.
2. **Video Feed Window 2** – If you have a webcam connected, your live video stream is displayed here. Click the 'Send/Audio Video' button to activate your webcam. See *document webcam_help.pdf* for more information on connecting and using your camera and microphone.

3. **Text Area** – This is the where typed conversation between the Psychic and yourself is displayed.
4. **Text Input** - To start sending messages just type in this box then click on the 'send' button.
5. **Send Button** – Click to send your text message to other chatters
6. **Chatters List** – displays the usernames of people in the chat room
7. **Play Sound** – tick/untick this box to toggle the sound which is played when a message is sent
8. **Colour** – change the colour of your text
9. **Logout**

2. You will receive a message alert accompanied by an alert sound when the scheduled session has ended.

A screenshot of a chat message displayed in a light blue rectangular box. The message text is:

Welcome to Psychic Guild Private Chat Session
****catherine, your session has expired. You need to purchase more to continue...**
